Acceptable Use Policy (AUP) of PsyData Labs L.L.C.

Effective Date: March 22, 2026
Last Updated: March 22, 2026

1. Purpose

This Acceptable Use Policy ("**AUP**") governs the use of all services, products, platforms, applications, APIs, and resources (collectively, the "**Services**") provided by PsyData Labs L.L.C. ("**PsyData Labs**", "**Company**", "**we**", "**us**", or "**our**").

This AUP is incorporated into and forms part of the Terms of Service.

---

2. Scope

This Policy applies to:

- All users, customers, and clients
- All access to and use of PsyData Labs Services
- All data processed through the Services

---

3. General Use Requirements

Users must:

- Use Services only for lawful purposes
- Comply with all applicable laws and regulations
- Respect the rights, privacy, and safety of others

- Use Services in a manner consistent with this Policy

---

4. Prohibited Activities

Users may not use the Services to:

4.1 Illegal Activities

- Violate any applicable law or regulation
- Engage in fraud, identity theft, or deception
- Facilitate criminal activity

4.2 Security Violations

- Attempt to gain unauthorized access to systems or data
- Circumvent security controls or authentication mechanisms
- Interfere with system integrity or availability
- Conduct denial-of-service or similar attacks

4.3 Data Misuse

- Upload or process data without proper authorization
- Process personal, biometric, or health data unlawfully
- Attempt to extract or reconstruct sensitive data
- Use Services to create unauthorized datasets

4.4 AI and System Misuse

- Use AI systems for harmful or manipulative purposes
- Attempt to exploit, reverse engineer, or replicate AI models
- Use outputs to deceive, manipulate, or harm individuals
- Use Services to generate or distribute misleading or harmful content

4.5 Psychological and Behavioral Misuse

Given the nature of PsyData Labs Services, **users may not**:

- Exploit psychological or behavioral insights to harm individuals
- Engage in manipulative behavioral targeting without consent
- Use Services for coercion, harassment, or exploitation
- Conduct unethical research or experimentation

4.6 Infringement

- Violate intellectual property rights
- Distribute unauthorized or infringing content

---

5. Sensitive Data Use

Where Services involve sensitive data (including health, biometric, or psychological data):

- Users must have a lawful basis for processing
- Required agreements (e.g., DPA, BAA) must be in place
- Data must be handled in compliance with applicable laws

---

6. System Integrity and Fair Use

Users must not:

- Overload or disrupt Services
- Use automated systems excessively without authorization
- Interfere with other users' access or experience

---

7. Monitoring and Enforcement

PsyData Labs reserves the right to:

- Monitor usage for compliance
- Investigate potential violations
- Suspend or terminate access
- Remove or restrict content

---

8. Reporting Violations

Users may report violations to:

Abuse Team: abuse@psydata.org
Legal Team: legal@psydata.org

---

9. Enforcement Actions

Violations may result in:

- Warning notices
- Suspension of access
- Termination of accounts
- Legal action

---

10. Relationship to Other Agreements

This AUP operates in conjunction with:

- Terms of Service
- Privacy Policy
- Data Processing Agreement (DPA)
- Business Associate Agreement (BAA)
- Master Services Agreement (MSA), where applicable

---

11. Policy Updates

We may update this AUP at any time.
Continued usage of the Services constitutes acceptance of any updates.

---
